

A wide panoramic view of a city by a large river, likely the Yangtze River. In the foreground, a lush green hill is covered with dense trees and traditional Chinese architecture, including a prominent multi-story pagoda with a dark roof and yellow walls. The river is calm, reflecting the blue sky and the city skyline. In the background, a dense urban area with numerous high-rise buildings stretches across the riverbank. Distant mountains are visible under a clear blue sky. A bridge with tall pylons spans the river in the distance.
